## 6. Scholarships (TNI Fund)

TNI offers scholarship for the Academic Year 2020 to qualified candidates who passed a scholarship placement exam and an interview.

### 6.1 Types of scholarships

Type A:	Exemption of 100% of tuition fee
Type B:	Exemption of 50% of tuition fee
Type C:	Exemption of 25% of tuition fee

### 6.2 Scholarship terms and conditions

These are bond-free scholarships in which recipients must meet the following terms and conditions:

6.2.1 Scholarship recipients must maintain their academic standing as follows:

Type A:	Average annual GPAX must not be lower than 3.25
Type B:	Average annual GPAX must not be lower than 3.00
Type C:	Average annual GPAX must not be lower than 2.75

\*\* If recipient students' academic standing falls below the minimum required GPAX, the scholarship will be downgraded to the lower scholarship type during the next semester until the students can meet the required GPAX for that scholarship level. Please Note: Upgrading from an original to a higher scholarship type is not permitted.

6.2.2 Scholarship recipients must pay their first semester tuition and fees in full. They will get reimbursement in the second semester for the tuition fee based on the scholarship type they received. In addition, the scholarship covers only the tuition fees. The scholarship recipient is still responsible in full for other fees such as Matriculation and Maintenance fees for each semester. For example, if a DGE student receives Type A scholarship, the student has to pay ₱69,000 for the first semester. In the second semester, the student will receive a reimbursement in the form of a check of ₱3,400 (₱62,400 second year fees-₱52,000 first year tuition-₱7,000 second year maintenance fee) for the second semester tuition.

6.2.3 Scholarship recipients are not allowed to change or transfer to another program or withdraw from their studies; otherwise, the scholarship will be terminated. However, students may re-apply for scholarships under the terms and conditions set by TNI. If a scholarship recipient withdraws from their studies, they must inform TNI immediately with a written notice for further scholarship consideration.

6.2.4 Scholarship will not be paid in cash or checks but will be reimbursed according to the actual course registration for each semester.

6.2.5 The scholarship will be terminated without any penalty under the following conditions:

- 1) Death
- 2) Disability or severe illness, verified by a physician

6.2.6 Scholarship will be terminated with a penalty under the following conditions:

- 1) Student's misconduct leading to TNI's decision to terminate the scholarship
- 2) Changing of a program or to another university without permission
- 3) Inability to complete the degree requirements within the program period
- 4) Withdrawal to study at or receive a scholarship from another university
- 5) Other actions that violate TNI scholarship regulations
